Quality Policy

William Munro Construction (Highland) Ltd, incorporating Munro (Highland) Ltd, recognise that the disciplines of Quality, Health and Safety and Environmental Management are an integral part of its management function. The Organisation views these as a primary responsibility and to be the key to good business in adopting appropriate Quality standards.

The Organisation Quality policy calls for continuous improvement in its Quality management activities and business will be conducted according to the following principals:

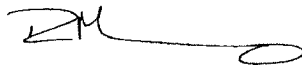

We will:-

- Comply with all applicable statutory laws and regulations
- Follow a concept of continuous improvement and make best use of our management resources in all Quality matters, to improve Customer satisfaction and to demonstrate the company's commitment and drive for quality.
- Communicate our Quality objectives and performance against these objectives throughout the company and to interested parties.
- Take due care to ensure that activities are safe for employees, associates and subcontractors and others who come into contact with our work
- Work closely with our customers and suppliers to establish the highest Quality standards.
- Adopt a forward-looking view on future business decisions, which may have an impact on Quality.
- Train all our staff in the needs and responsibilities of Quality management to create quality awareness, together with an active attitude towards continuous quality improvement.

It is also our aim that, with the total involvement and understanding of all staff through the implementation of a documented Quality Management and Information System, meeting the ISO 9001:2008 Standard, we will exceed the expectations of our Customers and staff.

We believe this approach will continue to assist us to successfully distinguish our business from that of our competitors.
